SUNUŞ

Bağımlılık, tüm dünyanın gençliğini, geleceğini tehdit eden evrensel bir sorun. Kamuoyunun bu önemli konuya dikkatini çekmek, düşüncelerini sağlamak ve duyarlılığını artırmak amacıyla faaliyetlerimizi çeşitlendiriyoruz.

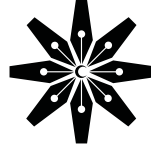

Uluslararası Yeşilay Karikatür Yarışması ile mücadelemize dünyanın dört bir yanından çok değerli karikatüristleri dahil ettik. Toplumu ve özellikle gençleri etkileme gücü yüksek olan karikatüristlerin mizah anlayışıyla bağımlılıklara bakışı çalışmalarımıza değer katıyor. İlk yılında olduğu gibi bu yıl da büyük ilgi gören yarışmaya 63 ülkeden, 379 karikatüristin 836 eser ile katılmasının mutluluğunu yaşıyoruz. Bu sayede bağımlılıkla mücadelemizi ve deneyimlerimizi uluslararası arenaya taşıırken dünyanın da bu soruna bakışını karikatüristlerin perspektifinden değerlendirme fırsatı yakalıyoruz.

Yarışmaya katılan karikatüristlerin kıymetli eserlerinden yola çıkarak bağımlılığın farklı ülkelerde ve farklı kültürel kodlarda da nasıl bir tehlike olduğunu bir kez daha gördük. Bu nedenle bağımlılıkla mücadelemizi dünyanın her köşesine kadar yaymayı hedefliyoruz.

Yarışmamıza katılan tüm karikatüristlere bağımlılıkla mücadeleye karşı gösterdikleri hassasiyetten dolayı teşekkür ediyor, dereceye giren sanatçıları tebrik ediyorum.

Tüm insanlığın geleceğini tehdit eden bağımlılık sorununa karşı küresel ölçekte ve hep birlikte mücadele ederek başarılı olacağımıza inanıyoruz. Desteğiniz bize güç veriyor.

2ND INTERNATIONAL GREEN CRESCENT CARTOON CONTEST

PRESENTATION

Addiction is a universal problem which threatens the youth and the future of the whole world. We are diversifying our activities in order to attract public attention to this significant issue, make them think and increase their sensitivity.

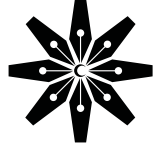

With "International Green Crescent Cartoon Contest" We have included estimable cartoonists from all over the world to our fight against addiction. Cartoonists, who have a high impact on society and especially young people, add value to our works with their perspectives and senses of humor. As in its first year, we are experiencing the happiness of hosting 379 cartoonists with their 836 works from 63 countries in our contest which attracts great attention. In this way, we have a chance to evaluate the world's view about this problem from the perspective of cartoonists while we are carrying our fight and experiences against addiction to the international arena.

We witnessed what kind of a danger the addiction is in different countries and different cultural codes once more by looking at the precious works of the cartoonists who joined the contest. For this reason, we aim to spread our fight against addiction to every corner of the world.

I would like to thank all of the cartoonists for their sensitivity about fight against addiction and congratulate all the artists who won awards.

We believe that we will succeed by fighting together on a global scale against addiction problem which threatens the future of all humanity. Your support gives us strength.

KARİKATÜRÜN EVRENSEL DİLİ

Yeşilay bağımlılıklarla mücadele konusunda farkındalık oluşturmak amacıyla çeşitli faaliyetler düzenliyor. Bu kapsamda ilki geçen yıl gerçekleştirilen Uluslararası Yeşilay Karikatür Yarışması, Yeşilay'ın farkındalık çalışmalarına uluslararası bir boyut kazandırıyor.

Bu yıl ikincisi düzenlenen Uluslararası Yeşilay Karikatür Yarışması'nda 63 ülkeden 836 karikatür yarıştı. Yarışma jürisinde birlikte yer aldığımız Karikatürcüler Derneği Başkanı Metin Peker, Karikatüristler Muhittin Köroğlu, İsmet Lokman ve Rusya'dan onur konuğu Igor Smirnov ile birlikte 836 karikatürü değerlendirerek en iyilerini tespit etmeye çalıştık. Jüri çalışması sırasında bir kez daha anladık ki, karikatür çok güçlü ortak bir evrensel dile sahip. Yarışmaya ABD'den Rusya'ya; Meksika'dan İran'a; Brezilya'dan Çin'e yüzlerce karikatürist katıldı. Karikatüristlerin çizgilerine kattıkları mizah unsuruyla oluşturdukları mesajlar dünyanın her ülkesinde algılanabilecek özelliğe; anlaşılır, akılda kalıcı, etkileyici ve güçlü...

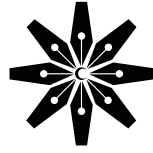

Yarışmada birincilik ödülü dışında beş adet de başarı ödülü verildi. Bir hayli zorlandığımız değerlendirme sonucunda, 2. Uluslararası Yeşilay Karikatür Yarışması'nda 1 adet Birincilik, 5 adet Başarı Ödülü sahibini seçtik. İşte ödül alan karikatlere ilişkin değerlendirmelerim...

Yeşilay'ın düzenlemiş olduğu karikatür yarışması, pek çok ülkeden yüzlerce karikatüristin bağımlılık sorununa bakışını yansıtan eserlerin ortaya çıkmasını sağlıyor. Bu eserlerle Uluslararası Yeşilay Karikatür Yarışması bağımlılık sorunu üzerinde güçlü bir farkındalık oluşmasını sağlıyor. Bu imkanın süreklilik kazanması karikatüristlerin göstereceği ilgiye bağlı. İki yıldır gösterilen ilgi gelecek için güven verici oldu. Artarak devam etmesi dileğiyle...

Birincilik Ödülü: Mahkumiyet

2. Uluslararası Yeşilay Karikatür Yarışması'nın birincisi Sırbistan'dan Borislav Stankoviç oldu. Stankoviç karikatüründe, sigara bağımlılığını mahkumiyet ile ilişkilendirerek anlatıyor. Güçlü çizgileriyle yansıttığı hapisane odasında sigara bağımlısını özel bir hücrede resmeden Stankoviç, bağımlıyı diğer mahkumlardan tecrit edilmiş bir şekilde gösteriyor. Şişe şeklindeki bu hücreye hapsedilmiş bağımlı bireyin hayatını hücre mahkumiyetiyle ilişkilendiren Stankoviç bu karikatürüyle birincilik ödülünü hak kazandı.

2ND INTERNATIONAL GREEN CRESCENT CARTOON CONTEST

INTRODUCTION

THE UNIVERSAL LANGUAGE OF CARTOON

Green Crescent organizes various activities to raise awareness about fighting against addictions. Within this context, International Green Crescent Cartoon Contest, which took place last year for the first time, adds an international dimension to awareness activities of Green Crescent.

836 cartoonists from 63 countries competed in an International Green Crescent Cartoon Contest, which took place for the second time this year. We tried to determine the best ones by evaluating 836 cartoons with Metin Peker, president of the Cartoonists Foundation, Cartoonists Muhittin K ro lu, İsmet Lokman and Igor Smirnov, an honored guest from Russia.

During jury work, we realized again that cartoons have a very strong, universal language. Hundreds of cartoonists from the United States, Russia, Mexico, Iran, Brazil, China and many more participated in the contest. The messages that the cartoonists made with a sense of humor which they added into their drawings are perceivable in every country of the world; comprehensible, catchy, impressive and powerful.

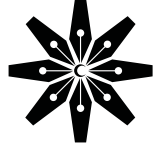

In addition to the First Prize, five Achievement Prizes were given. As a result of the evaluation, which was very hard for us, we chose 1 person for First Prize and 5 people for Achievement Prizes at 2nd International Green Crescent Cartoon Contest. Here are my reviews about prize winning cartoons...

The cartoon contest, organized by Green Crescent, enables works to arise which reflects the view of hundreds of cartoonists from many countries about addiction problem. With these works, International Green Crescent Cartoon Contest creates a strong awareness on addiction problem. The continuity of this opportunity depends on the interest of cartoonists. The interest shown for two years is reassuring for the future. I wish it continues by increasing...

First Prize: Conviction

The champion of the 2nd International Green Crescent Cartoon Contest was Borislav Stankovi  from Serbia. In his cartoon, Stankovi  relates smoking addiction to conviction. Stankovi , pictures the cigarette addict in a special cell in a prison room, which he reflected by his powerful drawing, and shows the addict as isolated from the other prisoners. Stankovi , who associates individual the life of the addicted in this bottle shaped cell with cell conviction, won the First Prize with this cartoon.

Başarı Ödülü: Uzun

2. Uluslararası Yeşilay Karikatür Yarışmasında Türkiye'den iki karikatürist de Başarı Ödülü kazandı. Bunlardan Azimet Ahmet'in karikatürü akıllı telefonlarla ilişkimizi çarpıcı bir şekilde vurguluyor. Şu bir gerçek ki, akıllı telefonlar teknoloji bağımlılığı sorununu yaygınlaştırdı. Giderek artan kullanım süreleriyle telefonlar vücudun bir uzvu gibi görünmeye başladı. Azimet Ahmet'in karikatürü bu soruna dikkat çekerken, bağımlı bireyin trajedisini yansıtıyor.

Başarı Ödülü: F Baskısı

Kolombiya'dan Elena Ospina'nın Başarı Ödülü kazanan karikatüründe sosyal medya platformlarının insan üzerinde kurduğu baskı ele alınıyor. Ospina, bu baskının giderek bir mahkumiyete dönüştüğünü "f" harfi üzerinden etkileyici bir biçimde gösteriyor.

Başarı Ödülü: Değnek

Başarı Ödülü kazananlar içinde yer alan Polonya'dan Grzegorz Szumowski karikatüründe geleneksel formdaki bir koltuk değneğiyle sigara bağımlılığını ilişkilendiriyor. Koltuk değneği arasına sıkıştırdığı sigara izmariti ile sigaranın yıkıcı etkisini göstermeye çalışıyor.

Başarı Ödülü: Sek Sek

Başarı Ödülü kazanan bir diğer karikatürist Endonezya'dan Jitet Kustova. Karikatüründe teknoloji bağımlılığına dikkat çeken Kustova, geleneksel çocuk oyunları içinde yer alan sek sek oyunu yerine internette dijital oyun oynayan çocuğu yansıtıyor. Sek sek oynama rolünü ise oyun kahramanlarından bir robota veren Kustova, sanal dünya ve gerçek dünya çelişmesini espirilli bir şekilde yansıtıyor.

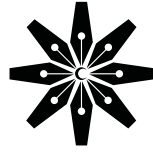

Başarı Ödülü: Kürek

Türkiye'den Başarı ödülü kazanan ikinci karikatüristimiz ise Kürşat Zaman. Karikatüründe sigaranın zararlarına dikkat çeken Kürşat Zaman, sigaranın insan vücudunda neden olduğu tahribatı sarsıcı bir görsellik içinde sunuyor. Sigarayı küreğe benzeten Zaman, ağızdan başlayarak gırtlığa doğru ilerleyen tahribat sürecini etkileyici bir biçimde gösteriyor.

2ND INTERNATIONAL GREEN CRESCENT CARTOON CONTEST

Achievement Prize: Limb

Two cartoonists from Turkey also won Achievement Prizes at 2nd International Green Crescent Cartoon Contest. One of them, which is drawn by Azimet Ahmet, emphasizes our relationship with smartphones strikingly. It is a fact that smartphones have spread the problem of technology addiction. With increasing usage times, the phones began to look like a limb of the body. Azimet Ahmet's cartoon draws attention to this problem and reflects the tragedy of the dependent individual.

Achievement Prize: F Print

In Elena Ospina's cartoon which won the Achievement Prize, the pressure of the social media platforms on people is discussed. Ospina impressively shows that this pressure is increasingly turning into a conviction through "F" letter.

Achievement Prize: Wand

Grzegorz Szumowski from Poland, one of the winners of the Achievement Prize, associates smoking addiction with a crutch that is in a traditional form. He is trying to show the destructive effect of cigarette by squeezing cigarette stub between crutches.

Achievement Prize: Hopscotch

Another cartoonist who won the Achievement Prize is Jitet Kustova from Indonesia. Drawing attention to technology addiction in the cartoon, Kustova reflects a child playing digital games on the internet instead of the traditional children's game called hopscotch. Kustova, who gives the role of playing hopscotch to a robot, reflects the virtual world and the real world contradiction waggishly.

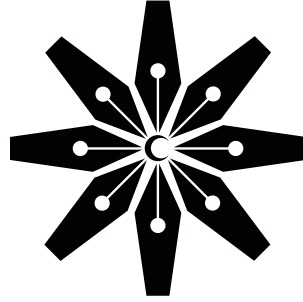

Achievement Prize: Shovel

Our second prize-winning cartoonist from Turkey is Kürşat Zaman. Drawing attention to the harms of cigarette in his cartoon, Kürşat Zaman presents the destruction in human body which is caused by cigarette in a shocking visuality. Zaman shows the destruction process from mouth to throat in an impressive way by drawing cigarette as shovel.
